# Policy and Government Affairs

## Launched SIDP Grassroots Network via the Phone2Action platform in collaboration with SHEA!

- Grew from 10 pharmacist members in December 2019 to 221 pharmacist members in October 2020!
- Initial campaign included 100 pharmacist members and 500 non-pharmacist members – despite our relatively small representation, 50% of total engagement was by pharmacists!

## Legislative Advocacy: 22 letters signed-on to or written by SIDP!

- Annual Labor and DHHS appropriations letter co-authored with with SHEA/APIC
- Denouncing withdrawal of US funding for WHO
- Considerations related to COVID-19 testing by pharmacists co-authored with ACCP
- ASM/APHL/IDSA letter addressed to Mike Pence in support of Anthony Fauci
- SIDP-developed letter addressed to HHS Secretary in support of HHS Guidance Authorizing Qualified Pharmacists to Order and Administer Vaccines for Children, including COVID-19 Vaccines
- SIDP-developed letter addressed to FDA expressing expressed support for recommendations regarding the FDA regulatory approval process for vaccines

Much of our advocacy this year focused on the pandemic

# Policy and Government Affairs

## Interorganizational Legislative Partnerships

- ASHP, IDSA, SHEA, HIVMA, Society for Antimicrobial Resistance (SFAR), Pew Charitable Trust

## HIV HELP Act

- Initial version of bill did not include tuition reimbursement for pharmacists – through multiple discussions with HIVMA we successfully advocated to include pharmacists as HC professionals eligible for tuition reimbursement

## Other

- NHSN Survey identifying barriers/facilitators to implementing AUR module (*see IDWeek abstract, special thanks to Brian Werth, Tom Dilworth!*)
- SIDP comments on federal IPPS rule (*special thanks to Emily O' Neil, Monica Bianchini, Kristi Kuper!*)

## In process

- SIDP White papers reviewed and recommendations for updates given, stay tuned
- Look out for more SIDP-initiated statements in 2021

  - so far, at least 29 PGY2s have utilized this pathway
  - should help with retention of trainees into ongoing active memberships
- Completed environmental scan of similar organizations to compare SIDP's relative membership benefits and value for future planning
- Completed targeted communication for RPDs (membership survey & invite)
- Drafted new member prospectus document
- Yearly update of new member toolkit
- Major review of committee Standard Operating Procedures (SOP)

# Membership: Overall Membership Trends

- SIDP is currently at the highest **Total current memberships** in history
  - compared to Dec 2018, total membership has **↑ by 9%** (to-date)
  - compared to Jan 2020, total membership has **↑ by 36%** (to-date)
  - current highest number of trainees in history
- **Active** membership (and proportion of all membership who are active members) is steadily growing over time from 43% (2018) to 54% (to-date)
- **Associate** membership numbers have not changed significantly over time
  - especially plateauing for the longer 3-year category
  - complementary associate memberships (related to completing the Antimicrobial Stewardship Certificate) are now lower than in 2018

# Public Outreach

- Almost 200 participants formally committed to the AMR Challenge on the SIDP website
- Developed social media messages for participation in Antibiotic Takeback events
- Presented “Pharmacists role in antimicrobial stewardship – a 30-year experience” virtual poster at IDWeek 2020
- Created content and submitted registration for a “National Infectious Diseases Pharmacists Day” (proposed date May 22)
- Developed a toolkit for healthcare providers on ways to contribute to AMS and educate patients on antibiotic use
- Developed scripts for 3 short SIDP videos for the public

The Society of Infectious Diseases Pharmacists (SIDP) advocates the safe disposal of prescription medications, including unused and expired antibiotics. National Prescription Drug Take Back Day is October 24th. Visit [sidp.org/antibiotic-disposal](http://sidp.org/antibiotic-disposal) to find your Take Back location.
