

# Expanding the Impact of Antimicrobial Stewardship (“Think Global”)

We invite you to participate in this live CE webinar!

Wednesday, September 21, 2022, 1:00 PM ET - 2:15 PM ET

Join CIDRAP-ASP for a [webinar](#) discussing how antimicrobial stewardship data are being studied, researched and utilized to make decisions and policies and allocate resources. We will also review the differences between national and global surveillance programs. There is no fee to attend this webinar.

## TARGET AUDIENCE

This program has been designed to meet the educational needs of physicians, pharmacists, and laboratory professionals.

## LEARNING OBJECTIVES

At the completion of this activity, learners should be able to:

- Describe how diagnostics and clinical outcomes are being utilized to inform US and international policies
- Identify how diagnostics and clinical outcomes are being utilized to allocate resources across health systems
- Review the similarities and differences in US and global surveillance program initiatives

### ACCREDITATION Pharmacist

ProCE is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Universal Activity Number 0221-9999-22-204-L01-P has been assigned to this live application-based activity (initial release date 9-21-2022). This CE activity is approved for 1.25 contact hours (0.125 CEU) in states that recognize ACPE providers. This CE activity is provided at no cost to participants. Successful completion of the online posttest and evaluation at [www.ProCE.com](http://www.ProCE.com) is required to receive CE credit. CE credit will be uploaded to NABP/CPE Monitor. No partial credit will be given.

### Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Clinical Care Options, LLC (CCO), ProCE, LLC, and CIDRAP. Clinical Care Options, LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

### Physician Continuing Medical Education

CCO designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Clinical Laboratory Professionals CE

The Clinical and Laboratory Standards Institute is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program.
